Dear Judge Dancks:

As and for a status report, please be advised that I believe the above referenced matter has been settled by Stipulation. Counsel for Plaintiff have forwarded a proposed Settlement Agreement, which I have forwarded to my clients for their signature. Upon return receipt, we will forward to Plaintiff's counsel for their signature and filing with the Court. I have received the proposed Settlement Agreement on today's date and expect my clients to have signed copies back to me next week.

Thank you for your considerations in this matter.

Very truly yours,

Stuart J. LaRose, Esq.
